

RECOMMENDATIONS

- 1 Proposed site for a new aquatic and leisure centre and early years centre. Consider market square / park interface with café
- 2 New multi-sport activity zone and 'district' level play space and family/social area. Provide two public tennis courts in a shared court arrangement with two Sepak Takraw courts
- 3 Create a dog off lead park
- 4 Maintain the turf cricket oval and install sports lighting.
- 5 New junior cricket, rugby and touch fields
- 6 New senior cricket, rugby and touch fields
- 7 Develop a new or upgraded sports pavilion with additional change rooms, public toilet, improved storage and covered viewing area
- 8 Improve Central Ave entrance with wayfinding signage and landscaping
- 9 Upgrade and extend pathway network
- 10 Improve landscaping with shade trees and seating along pedestrian path
- 11 Maintain vegetated parkland along Skeleton Creek
- 12 Increase car parking along Central Avenue entrance road
- 13 Increase car parking west of sports pavilion
- 14 Increase car parking west within the reserve along Henry Drive
- 15 Emergency vehicle access
- 16 Investigate traffic design for providing pedestrian crossings for safe access from residential areas to the park across Central Avenue, Skehan Boulevard, MacNeil Avenue and Henry Drive
- 17 Provide a new maintenance shed to service the main field
- 18 Opportunities for increased tree planting, seating and outdoor fitness equipment
