

1 Allen Street Playground

An updated play and seating area with the multi-play unit refurbished, accessible whirl, rope climbing frame, caterpillar slide, bike parking, drinking fountain, new toddler rockers, and swing. There will also be new garden beds and seats under the trees.

2 Sumers Street Play Space

The play area is relocated to the middle. It features a basketball hoop and key and terraced timber seats which can be climbed and played on, new garden beds and a junior bike circuit with seats in shade.

3 Open Lawn Area

Features a new irrigation system, small viewing mound, existing cricket pitch, new junior soccer goals and a shaded path linking the two playgrounds.

- 4 Remove the mounds (dotted line)
- 5 New viewing mound
- 6 Remove the existing play areas
- 7 New gravel path shaded by trees
- 8 New seats in shade
- 9 New basketball hoop and key
- 10 New terraced timber seating
- 11 Junior soccer goals
- 12 New trees (light green on the plan)
- 13 Existing Trees (dark green)
- 14 New post and rail fence
