BLADIN STREET RESERVE, LAVERTON PARK UPGRADE : Design Concept

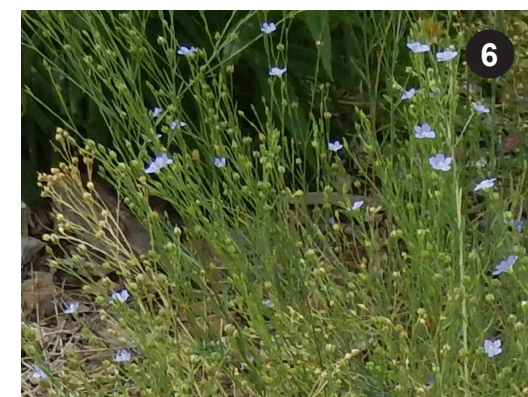

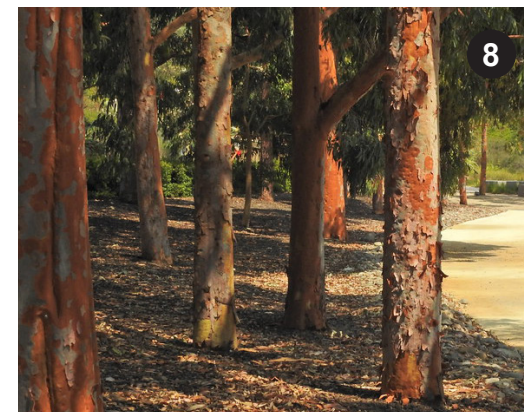

PREPARED: JULY 2021
NOT TO SCALE @ A3

**HOBSONS
BAY CITY
COUNCIL**

**BETTER
PLACES**
Hobsons Bay

- ① New native tree planting in road reserve
- ② New spinpoint play equipment
- ③ New bench seat
- ④ New log seating
- ⑤ New nature play: logs and rocks
- ⑥ New understory planting
- ⑦ Maintenance access
- ⑧ Mulched areas extended
- ⑨ Existing lawn area retained
- ⑩ Existing bench retained
- ⑪ Existing play equipment retained

These photographs are to give an indication of the character and components in the proposed design.

This park will be upgraded with new playground equipment, bench and log seating. The area underneath the large, existing trees will be mulched and include logs and rocks for nature play. Species native to the Western Basalt Plains and the coastal region will be planted to form habitat for local fauna.
