

# HOMESTEAD RUN AND BARRY JONES RESERVES

## What we heard

Thank you to all residents and community members who participated in Council's Homestead Run Reserve consultation.

All the feedback has been collated and below is a snapshot of what we heard.

Topics of discussion included the playspaces, sport and fitness equipment and existing infrastructure such as lighting, fencing and picnic facilities.

## Some of the comments we heard include:

*"Love that the central grass areas is now irrigated."*

*"Unauthorised vehicles access to the reserves needs to be addressed. Fencing or bollards is needed to prevent hoons driving onto the grassed areas."*

*"A basketball court or half-court would be welcomed, so too would a rebound wall."*

*"There is no play equipment suitable for primary school-aged children and teens."*

*"We are concerned about anti-social behavior within the playspace at Barry Jones Reserve."*

## Where from now?

Council is evaluating all the feedback and using it to inform a concept plan. This will be available mid October 2018.

It can be viewed online at [www.hobsonsabay.vic.gov.au/homesteadrun](http://www.hobsonsabay.vic.gov.au/homesteadrun)

Council officers will be onsite on Saturday 13 October 2018 between 2pm and 4pm to talk through the plan and have a chat.
