③ Informal Seating with Logs and Boulders

④ New Toilet Facilities

⑤ Lawn Area

⑥ Bike Racks

⑦ Tree Planting for Shade

⑧ Concrete Access Path between Cypress Avenue and Nolan Avenue

⑨ Extend existing Timber & Pipe Fencing

⑩ A separate design feasibility investigation will be undertaken to explore options to redevelop or extend the Brooklyn Community Hall to meet community program and meeting needs. This will include further community and stakeholder consultation and will consider the area including the Brooklyn Community Hall, the Brooklyn Tennis Pavilion and the immediate areas. The Frances Sullivan Centre will be demolished and the area will be returned to open space. The design investigations will be undertaken by the end of this calendar year.
