

DESIGN CONCEPT

View along Mason Street frontage to the Park with new sign, seating, bike parking. The new sign highlights the location as being in the heart of Newport and as the main entrance to Paine Reserve and the Hub.

DESIGN CONCEPT

View from Market Street into the site with new gateway and sign, seating and new bowling club fence. The new small plaza and play space will open up the corner and back of the buildings, frame the light box gallery and encourage park users to use the Market Street entry.

PAINE RESERVE LANDSCAPE MASTERPLAN  
Design Concept: photo-collages 1 / 3

PREPARED: JUNE 2019

HOBSONSBAY CITY COUNCIL

DESIGN CONCEPT

**View facing east to the new playspace at the back of Leroy's Cafe.** This will open up the corner by making use of currently vacant Council land and encourage people to access the park from Market Street. It shows a range of play equipment with a mural and climbing plants on the back wall with a permeable fence. The pavilion / shade structure accomodates performances (above) and relaxation and play (below). Design is indicative only.
